Brunches worth waking up for

BY: JEANNE MUCHNICK PUBLISHED DECEMBER 22, 2009 AT 11:15 AM

Le Château (Rte 35 near Rte 123, South Salem 914-533-6631) brunch is served 12 to 3 pm Sundays; three courses, one Champagne or mimosa included, at \$38 for adults, \$17 for children under 12), the century-old Tudor-style manor house, is quiet and very French, with a hostess that often greets you with a hearty "bonjour." The menu is substantial with items like crispy crêpe of shiitake mushrooms with leeks and Champagne truffle, hanger steak au Poivre, and a quiche of the day. There are also plenty of American options like homemade waffles served with rich maple syrup and berries compote, "create your own omelet," and the classic poached eggs Benedict. Come on a sunny Sunday and enjoy the panoramic views of the Hudson Valley from the generously proportioned windows. For a brief shining moment, it's easy to feel you're a Rockefeller invited to dine at your friend's estate.
